

“You Don’t Know” - written and performed by Chad Price

I could never understand why you see yourself as just your average girl,
Wish you saw yourself through these eyes and understood that you are not of this world,
I’ve tried everything to let you know that for anything I would never let you go,
So beautiful you just might be perfection,

You don’t even know that you’ve got it all,
You don’t even know that you’re unbelievable,
You walk through this world like you don’t even try to look as good as you do girl,
It’s almost a crime girl you don’t even know,
You don’t even know,

One thing is clear to me,
You’re nothing like the other girls I see,
They’re all one in the same,
But you are everything I need,
No makeup on, let your hair down,
It’s effortless, girl you wear the crown,
But you don’t put yourself above,
Girl that’s why I love,

That you don’t even know that you’ve got it all,
You don’t even know that you’re unbelievable,
You walk through this world like you don’t even try to look as good as you do girl,
It’s almost a crime girl you don’t even know,
You don’t know,

She’s got that individuality,
Gotta make her my reality,
She’s not in the game of being fake,
She’s as real as they come and I appreciate,

That you don’t even know that you’ve got it all,
You don’t even know that you’re unbelievable,
You walk through this world like you don’t even try to do the things that you do girl,
It’s almost a crime,
You don’t even know,
You don’t even know,

You don’t even know that you’ve got it all,
You don’t even know that you’re unbelievable,
You walk through this world like you don’t even try to look as good as you do girl,

It's almost a crime girl you don't even know,
You don't even know,
You don't know,
